PARTNERSHIPS

Happy Valley provides many opportunities to enjoy family-style entertainment and year-round events for residents and visitors, all made possible with the help of our Business Sponsors. Our generous partners not only help fund the signature events that are as much a part of the Happy Valley experience as our green hills and valleys, but they are

often your neighbors, too! You will see them, sleeves rolled up, volunteering their time at the events they make possible. Our business community is vital to the success of this community. We truly appreciate the opportunity to join with our event sponsors, keeping Happy Valley the community that works together, plays together and stays together.

experience health & HAPPINESS

The health of a community is much more than the physical condition of its residents. It is the success of its businesses and the flourishing of community groups. It is having healthy options available, quality medical care, and places in nature to recover physically and mentally. It is a place where people can thrive. Welcome to Happy Valley.
